

GIRIJANANDA CHOWDHURY INSTITUTE OF
PHARMACEUTICAL SCIENCE (GIPS)

PLACEMENT

BROCHURE-2020-2021

MISSION

To deliver outcome based pharmacy education and training for graduates in order to provide need based services to the local and global communities.

VISION

To produce world class competent pharmacists who will be contributing to the local, national and global economies.

VALUES

Girijananda Chowdhury Institute of Pharmaceutical Science embraces the educational philosophy and values of modern education system and is committed to the following core values:

Professionalism, Integrity, and Character: We aim to create an environment that instills professionalism, integrity, empathy, high standard of ethical behavior, professional commitment to the patient, the community, and the employer.

A Culture of Service: We strive to create a culture that values and promotes service to our patients, school, community, and profession.

Life-long Learning: We pursue a passion for life-long learning and a commitment to personal and professional growth as we serve our patients, community, and profession.

Programme Educational Objectives (PEOs):

The Mission of the Institute will be accomplished by the following Programme Educational Objectives:

PEO 1. Knowledge: To possess the fundamental knowledge and technical competence to cater the healthcare needs of the society and articulate the expertise and apply it for contemporary problem solving in manufacturing, marketing and pharmaceutical care services.

- PEO 2. Professionalism:** To demonstrate professional and ethical attitude, effective communication skills, teamwork skills, multidisciplinary approach, and an ability to relate Pharmaceutical Sciences issues to broader social context.
- PEO 3. Leadership:** To participate as responsible and ethical leaders in fields of Pharmacy and in activities that support service and economic development of the society.
- PEO 4. Career:** To pursue advanced education, research and development, and other creative and innovative efforts in drug discovery, formulation and manufacturing and healthcare services as well as other professional careers.
- PEO 5. Self-Sustainability:** To demonstrate sustained learning and adapting to rapid changes in the field of Pharmaceutical science through continuous education, professional development, and self-study.

Programme Outcomes (PO):

- PO 1. Demonstrate the knowledge of pharmaceutical and basic sciences to identify, analyze and solve the problems in manufacturing, marketing and healthcare services.
- PO 2. Ability to design and conduct experiments, to analyze and interpret data.
- PO 3. Design, formulate and analyze product and processes to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health, and safety, manufacturability, and sustainability.
- PO 4. Demonstrate the ability to plan and implement professional activities.
- PO 5. Function effectively as individual and part of team in diverse and multidisciplinary areas to accomplish tasks.
- PO 6. Act efficiently as a leader in the diverse areas of the pharmacy profession.
- PO 7. Ability to communicate effectively and sustain in different environments and culture.
- PO 8. Ability to use current techniques, hands-on skills, and modern tools to be productive recourse for organization through self-motivated lifelong learning.
- PO 9. Ability to achieve global competence to succeed in competitive examinations, higher studies, and employment.
- PO 10. Practice ethically and create awareness in society about the effective and safe use of medicines.

Message

From the President, SSA Desk

Dear Recruiters,

It is with immense pleasure that I introduce you to the 11th batch of the Bachelor of Pharmacy, 9th batch of Master of Pharmacy and 2nd batch of Diploma of Pharmacy programme at Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS). Each batch represents an enthusiastic and dynamic student ready to work and lead the Pharmaceutical industry.

GIPS is the first private institution in the North–Eastern region established in 2007 and providing the quality Pharmacy education groomed with young and dynamic teachers. I hope the brief information of our students provided in this Brochure will help you to know the academic potential of our students.

I am confident that this group of professional will be of great value to your organization and recommend the batch for your consideration.

Mr. Ratul Das
President, SSA

Message From the Secretary's Desk

Dear Potential Employers and Recruiters,

It is my privilege to introduce to you, Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS), Guwahati, an institute of excellence in Pharmaceutical Education and Research. GIPS are at the forefront of Pharmacy Education in North Eastern India.

This brochure gives an overview about the Institution, Departments and Student's Profiles. In turn, the information provided will be ready to use by the stakeholders like Healthcare, Pharmaceutical, Academic & Research Organizations, etc.

I am confident that within the GIPS class of 2020-2021, you will find highly motivated individuals who have the right skills, temperament and experience to add maximum value to your organization.

Mr. Bijoyananda Chowdhury
Secretary, SSA

Message From the Principal's Desk

Dear Recruiters,

For the growth and development of the nation, the health and wellness of its people is the most important aspect which is achieved by proper development of the academic institutes. Girijananda Chowdhury Institute of Pharmaceutical Science is an ideal one. This institute provides modern lecture rooms, laboratories with sophisticated equipment, well maintained animal house having different kinds of animals for research purpose and well established medicinal garden. Students are strictly controlled to maintain the discipline regarding class attendance, library and e-library consultation, scheduled industrial training etc. In this environment students complete their course and become the excellent Pharmacy professionals. In the current changing global scenario, competent pharmacists can only full fill requirements.

I am very confident that students of the session 2020-2021 of this institute are competent enough to serve the nation when they will be engaged in their professional field.

Prof. (Dr.) Gouranga Das
Principal, GIPS-Guwahati

Message

From Training & Placement In-Charge Desk

Dear Recruiters,

It gives me immense pleasure to extend to you a most cordial invitation to participate in the Campus Recruitment Programme of the Girijananda Chowdhury Institute of Pharmaceutical science. Our Institute holds the pride of place being pioneers in the field of Pharmaceutical education in the country and has a glorious heritage. We take care to groom our students according to the needs of the industry. We seek to open frontiers of knowledge and reveal new horizons of change, to broaden mindsets and to create positive attitudes in our students. Our students get a lot of industrial exposure by their frequent industrial visits. Besides, our undergraduate students undergo three-week training in their winter vacations in reputed pharmaceutical industries across India, as part of their academic requirements. It would be most delighted to be involved in such a partnership.

Looking forward to a mutually beneficial relationship and with regards,

Dr. Dipankar Saha
Associate Professor
Training and Placement In-Charge, GIPS-Guwahati

ABOUT THE INSTITUTE

Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS) was established in the year 2007 as the first non-government pharmacy institute in the state of Assam under the aegis of Shrimanta Shankar Academy (SSA), a registered service organization set up in the year 1992 to make significant contribution for social upliftment through education and also to inculcate among the youth a sense of discipline. The motto of the society is 'Truth', 'Discipline' and 'Excellence' and ever since its aim has been establish a morally sound education system which not only produce competent professionals but also excellent human beings contributing towards the welfare of the society. The institution is affiliated to, Assam Science and Technology University (ASTU) Assam, Approved by All India Council of Technical Education (AICTE), New Delhi and recognized by Pharmacy Council of India (PCI), New Delhi and our B. Pharm Programme is accredited by National Board

of accreditation (NBA), New Delhi. The institute secured rank band of 51-75 for two consecutive years 2017,2018 and rank 72 for the year 2019 and 2020. The institute is recognized by the department of scientific and industrial research (DSIR), Govt. of India, as a scientific and industrial research organization (SIRO). In keeping with its objective of providing the best possible Pharmaceutical education, the college has built up a strong infrastructure. This comprises of highly knowledgeable faculty, most of them either hold or are registered for doctorates. Continuous interaction with industry is maintained to ensure that the learning program remains relevant to the changing trends in pharmaceuticals. The College is constantly seeking to upgrade the quality of its education and actively participates in research to remain on the cutting edge.

INFRASTRUCTURE

LABORATORIES AND OTHER FACILITIES

Laboratories are the most important tools for every technical institution where students develop their practical skills. Girijananda Chowdhury Institute of Pharmaceutical science is having laboratories with latest equipments to cater the needs of the students. Most of the laboratories are funded by All India Council for Technical Education(AICTE). New Delhi and Dept. of Science and Technology (DST). The institute is also maintaining CPCSEA approved animal house and a Medicinal Plant Garden for practical and research works.

BINA CHOWDHURY CENTRAL LIBRARY

Bina Chowdhury Central Library, GIPS & GIMT is the amalgamation of earlier GIMT Library & GIPS Library in the year 2018. It is located at the ground floor of the newly constructed boys' hostel of its campus and it occupies a total carpet area of = 6481.76 sq. ft. out of which the main Library occupies 3021.92 sq. ft. carpet area and Reading Room (120 seating capacity) has a carpet area of 3459.84 sq. ft. The Central Library is full of different textbooks, reference books and other reference sources like encyclopaedia, dictionaries, novels, biographies etc. The library is divided into different sections that house the Reading Room Corner, Textbook Corner, Periodical Corner, Reference Corner, Internet Section, Dissertation Corner, Circulation Corner, Technical Processing Section and the Competitive Examination Corner – a section set aside for students who are preparing for GPAT & GATE. The library, which is centre for providing quality Engineering, Management and Pharmaceutical education to students, currently boasts over 44552 volumes of books serving near about 2500 students and 180 faculty members & staff. These include textbooks, reference books, journals, and other material such as dissertations, CD-ROMs, and a number of electronic resources like E-Journals subscribed through J-Gate, Science Direct and DELNET Consortium. The library follows DDC 22nd Edition and AACR-II for classification and cataloguing the documents respectively. The library is partially automated with the Library Management Software SOUL 2.0. Developed by INFLIBNET Centre, Ahmadabad.

COMPUTER LAB AND INTERNET CENTER

The Computer laboratory covers over 1500 sq. ft. area, equipped with over 30 computers with Wi-Fi LAN and Broadband Internet Facility round the clock.

SPORTS AND CULTURAL ACTIVITIES

GIPS not only educate the students, but through its comprehensive sports and cultural activities, it builds the human being for the society. The institute has different sports clubs and has been organizing annual sports comprising of indoor and outdoor sports and Celebrates National Pharmacy Week (NPW) every year. The students actively participate in different cultural activities during NPW and Fresher's welcome program which showcases their multi-dimensional talent.

TEACHING FACULTY

Girijananda Chowdhury Institute of Pharmaceutical Science (GIPS) has strengthened its faculty in an enormous manner. With the highly experienced teachers, young energetic faculties are putting their hands for proper development of students. The faculty of GIPS fully satisfies the competent authorities like Assam Science and Technology University, PCI and AICTE, New Delhi.

SEMINARS AND EXPERT LECTURES

Regular Guest lectures by dignitaries from India and abroad are conducted. Personality development and Communication skill workshops are organized regularly. Industrial experts from various pharmaceutical industries groom our students regularly with the help of Industry institution partnership cell (IIPC) GIPS. We believe in overall development of our candidates.

RESEARCH FACILITIES

The Institute, as a matter of policy, encourages research by faculty members and provides incentives for research outputs in the form of publications and patents. GIPS encourage the teaching faculties to compete for research funding and rewards success in the form of academic allowances and research incentives. Adequate budgetary provisions are provided for research through capital allocations for the maintenance of animal facility, consumables, equipments etc. GIPS have a dedicated research team and are currently undertaking several research projects funded by AICTE, DBT, DST etc. The college has a CPCSEA recognized (Reg. no. 1372/C/10/CPCSEA) central animal house facility. The animals are housed as per the standard guidelines. Restricted entry is maintained with access control system.

LOCATION

GIPS is conveniently located at Azara, Guwahati on the National Highway no-37, away from hustle of Guwahati city, providing a congenial atmosphere for diligent academic pursuit. It is an idyllic spot located five k.m. to the east of L.G.B. International air port and 16 km to the west of Guwahati Railway station. Sprawled over more than 5 acres of land it is on the brink of the famous Deepor bill, a natural water body which is a heaven for bird watchers and lovers of aquatic life. The majestic Khasi and Jayantia Hills stands on the southern side of the "Bill" providing a green picturesque view that is soothing to the eye. The college is well connected to the city and all other places of the country through various modes of public and private transport
